Thursday 20<sup>th</sup> December 2012 at 7.30pm at the Haywain Public House, Little Bromley.

In attendance:-

Councillor S. Wilcox	Chairman
Councillor R. Middleton	Vice Chairman
Councillor K. Hatch	
Councillor M Ashmore	
Mrs S Shute	Clerk
11 members of the public.	

97 12/13 Introduction and Welcome.

The Chairman welcomed the public and press to the meeting.

98 12/13 Apologies for Absence.

Apologies were received from Councillor R. Christmas.

99 12/13 Acceptance of Minutes.

The minutes of the meetings dated 25<sup>th</sup> October were accepted as read and signed by the Chairman.

100 12/13 Declaration of Interests.

The Chairman, Councillor Wilcox, declared an interest in minute number 91 12/13 and he said he would leave the meeting at this point. Additionally, he explained that he and Councillor Hatch would have to declare an interest in the Amenity Organisation as both are members. When this item is discussed he explained that he would close the meeting and re-open after its discussion.

101 12/13 Public Participation.

A resident requested that the road safety issue at the war memorial corner is re visited and felt it is not satisfactory to just dismiss the issue in the face of difficulty in getting agreements. Also the feasibility of a footpath through the village should be re-opened as it is very dangerous for pedestrians and school children. It was felt that now the country is coming out of the recession we should be able to prepare for any possible availability of funding and endeavour to get footpaths installed at least in the most dangerous sections of the village. Sections identified were north from the council houses to the corner of Ardleigh Road and south from "Pampas" to the "Headlands" development. Councillor Hatch suggested white lines are painted through the village in the hope of improving safety.

A member of the public requested draft minutes be published prior to the meeting.

Mr Knott, parishioner, objected to the increase in the precept and made some comments in a manner in which the council found offensive. The Council felt he implied that the councillors were only working for their own financial gain and not for the good of the village.

Councillor Stock said that there is a cost for democracy. A Parish Council can influence local issues and this is good use of taxpayers money. Councillor Stock added that it is normal practice to claim expenses; he said that his claims to Tendring District Council amount to approx. £4000 per year. Mr Knott continued to make remarks particularly regarding the clerks salary despite the legal obligations of the PC being explained to him.

The clerk became upset and temporarily left the meeting at this point.

102 12/13 To pass a resolution granting a general exemption from DPI in relation to the setting of the annual precept.

The Chairman read out the following resolution:-

"Little Bromley Parish Council grants it's councillors, elected or co-opted, a general dispensation from restrictions imposed by Section 31(1) and 31(4) of the Localism Act 2011, enabling members with beneficial interests in land within the administrative area of Little Bromley to participate and vote on issues related to the setting of Precepts under the Local Government Finance Act 1992.

This Dispensation is granted under section 33(2)(a) of the Localism Act 2011, on the grounds that without the dispensation each member of the Parish Council would be prohibited from participating in the business of the determination and setting of the annual Precept. This General Dispensation shall remain in force until the next

Parish Council elections in May 2015.

Little Bromley Parish Council is empowered to grant this Dispensation as a Relevant Authority as defined in section 27(6)(d) of the Localism Act 2011.”

The resolution was agreed by council. Proposed Councillor Middleton and seconded by Councillor Ashmore.

105 12/13 Planning Application – Manning Grove – Update.

It was reported that there is to be a hearing on 19<sup>th</sup> February and representatives from Little Bromley, Gt Bromley and Ardleigh Parish Councils will attend. All three councils will meet to plan a way forward.

**Item continued.**

106 12/13 Horsley Cross Development.

The proposed industrial development at Horsley Cross was discussed at the meeting. Most of the Councillors were opposed to the development because of its large size a smaller development would be more agreeable. A member of the public objected to any industrial development on the grounds that this is a green field site. Once development is allowed it becomes much easier to add to it. The clerk will forward the comments to the District Council accordingly.

**Action: Clerk**

107 12/13 Flooding – Little Bromley.

The Chairman said that flooding in the village to houses, gardens and outbuilding is an on-going problem but there is no data available to determine the extent of the flooding. Some ditches on the southern side of the village have been cleared and this has improved water flow there, but the north side of the village still have problems. The Parish Council will put a general questionnaire in the Bromley Messenger to ask residents about their flooding experiences. This data will then be used when liaising with Essex County Council who is responsible for land drainage.
